

Fitting Guide

Pull-Ons

Attends Pull-Ons can be used like ordinary underwear and the pad can be pulled up and down as many times as you like.

Fit

The elasticity of the pants ensure a snug, comfortable fit whilst the breathable material is skin friendly.

Removal

Changing and removing the pad is very easy: either pull the pant down or you can tear open both sides of the pants.

Hints and Tips

Selection

- Choose the size of Pull-On you require according to hip and waist size - whichever is larger
- Choose the absorbency you require based on the volume of urine passed.
- Pull-Ons can offer effective management for people who may pull out shaped pads

Disposal

- Roll up pads and dispose as per your trust's clinical waste policy
- Do not flush the pad down the toilet
